Subject: Clarification #2 for the Independent Monitoring Agent Services (EOI-14-001-NAT)

To whom it may concern,

Please find below questions received and the replies to them.

Question 1	<p>We are planning on submitting our EOI as a consortium and have a question about the "Guidance Notes on Shortlisting Criteria". On page 1, point (1a) of that document, the guidance requests that "The average turnover of the candidate must exceed one million Euro on an average for the last three years of which accounts have been closed".</p> <p>We are interested to know whether this question may be satisfied by the consortium as a whole? For example, does each organisation included in the consortium need to comply with this criteria, or only the consortium in the aggregate of its members, or that one member of the consortium meets this requirement.</p>
Answer 1	It must be satisfied by the Consortium as a whole, i.e. the consortium in the aggregate of its members must meet this requirement
